SUPERIOR COURT ANNOUNCES NEW JURY MANAGEMENT SYSTEM

Humboldt County Superior Court is pleased to announce its transition into a new jury management system. The Humboldt County jury summons has been redesigned and simplified. New postcard-sized summons will be sent out to the public beginning as early as Monday, December 19, 2016. With the new system, prospective jurors will be able to update their information, receive reporting instructions, and make postponement/excusal requests online in their own, personal Web Solution portal.

The Office of Jury Services will continue to provide assistance to prospective jurors via the phone and in person, and will also be providing public terminals in the jury assembly room for better ease of access to the new web interface. The Court and Jury Services staff are very excited for the improvements that the Court will be implementing, and we look forward to providing the public with a more user-friendly jury service process.
